

Facilities List

56,000 Square Feet Under Roof Circuit Board Assembly - Surface Mount and Through-Hole

- BTU International TRS 21-10 12-Zone Reflow Oven
- Hollis Poly-Clean Board Washer w/ Deionized High Pressure Wash

- Camelot System 5000 Adhesive Dispenser
- Novastar 14FS WaveFlow Solder Machine

- DEK 288 Automated Stencil Printer (2)

- OK Industries JEM 210 Convection ReFlow Oven

- EFD 100DV Liquid Dispensers (2)

- OK Industries SMT-6000 Manual Pick and Place
- Electrovert MiniPak 300 WaveFlow Solder Machine

- OK Industries SMT-8000 Manual Pick and Place

- Fuji CP-III SMT Assembly Machine

- Q Corporation Q-2-G Lead Trimmer

- Fuji IP-II SMT Assembly Machine

- Royonics 2006 NB PCB Programmable Loading Station (2)
- Fuji TISOL-2 PCB Loader

- Universal Instruments GSM1 Flexible Pick and Place

- Gold-Wave GW-10 Mini WaveFlow Solder Machine

- Yestech YTV-B3 AOI Automatic Optical Inspection
- Hepco Lead Formers (2) Powder coating
- top of the line Nordson powder guns
- large drive-in sandblasting booth with steel shot
- batch curing oven w/ 1M btu gas burner
- 5-stage pretreatment w/ soft water rinses Large cable and harness shop
- Amphenol Amp-o-Lectric Pneumatic Crimper

- ETC Molex Lug Crimper

- Associate Research HiPot Tester

- JST AP-K2 Automatic Crimping Machine

- Berg Crimping Machine

- Molex OSCM Bench Pneumatic Crimper (2)

- Carpenter 320A Wire Cutter

- Molex TM40 Terminator (2)

- CNC Controlled Wire/Cable cutter and stripper

- Schleuniger OmniStrip 9400 w/ Pre Feeders (2)

- Cirris Signature 1100H+ Cable Tester (2)

- Schleuniger US 2015 Stripper

- Cirris Signature1100M Cable Tester

- Various Custom Connector Testing Mates (400+)
- Cirris Signature 2000 Cable Tester
- Various Hand Crimpers (100+)
- Full prototyping machine shop
- Bridgeport Series II CNC Milling Machine
- Miller Synchrowave 250 TIG Welder
- Chizhou CZ2300/1 12" x 36" Lathe
- MSC Knee Milling Machine
- Jet 1024 P 10" x 24" Manual Lathe
- Thermal Dynamics 52 Cut Master Plasma Cutter
- Miller 250 Millermatic MIG Welder
- Custom assembly area
- custom potting machines
- large assembly workforce
- functional test & burn-in
- custom crate & ship Secure inventory area
- fenced, segregated inventory areas
- armed night security guards Secure warehousing area
- over 56,000 square feet under roof
- heated storage available Drop shipping
- blind ship using your packing slips
- on time delivery with reduced stocking costs
