

## Colors

Pretty much any traditional color can be done in powder, such as solids, metallics, and transparent colors. Candy colors are also very popular. Powder coat also comes in special finishes like Veins, Gators, and Patinas. The possibilities are quite varied. Stop by for a look at our sample book and you can pick out the exact finish for your project.

Here is a quick view of some of the color range that is available. Click on the thumbnail to enlarge:[images/stories/powder\\_coat/powder\\_coat\\_square\\_for\\_web.jpg](#)
