

## Cables & Harnesses Capabilities

- Fast Delivery
- Fully tested
- Prototype runs to full production
- 

Revelation Industries has made thousands of custom wiring harnesses and cable assemblies. Let us make your next project! We stock a large variety of Molex and Amp connectors & pins. We have hundreds of different types of wire in stock, and can complete your project on time and on budget. All assemblies are 100% digitally tested for quality.

Here is an equipment listing and assortment of Cable and Harness types that we can build for you:

Equipment Amphenol Amp-o-Lectric Pneumatic Crimper Associate Research HiPot Tester  
Berg Crimping Machine Carpenter 32-A Wire Cutter  
CNC Controlled Wire/Cable cutter and stripper Cirris Signature 1100H+ Cable Tester (2) Cirris Signature 1100M Cable Tester  
Cirris Signature 2000 Cable Tester ETC Molex Lug Crimper  
JST AP-K2 Automatic Crimping Machine Molex OSCM Bench Pneumatic Crimper (2)  
Molex TM40 Terminator (2)  
Schleuniger OmniStrip 9400 w/ Pre Feeders (2)  
Schleuniger US 2015 Stripper  
Various Custom Connector Testing Mates (400+)  
Various Hand Crimpers (100+)

Computer Cables CAT5, 5e, 6

- RS-232
- Crossover Cables
- D-Sub Cables Custom Assemblies
- Molex & Amp Crimp
- Lug Crimp
- Switches Included in Cable Assembly
- Prototype to Medium and High Volume Harness and Turnkey Assemblies
- Discrete Wire Harnesses
- Complex Wiring Harnesses
- Chassis and Box-Build Assemblies I/O Cables
- SCSI Cables
- MDR
- DVI-(A, D, I)

RF/Coax

- BNC
- MCX
- RP-SMA
- SMA
